

International Symposium on c-di-GMP Signaling in Bacteria

22 – 25 March 2015, Harnack-Haus, Berlin, Germany

Confirmed Speakers

Kenn Gerdes

Newcastle University, UK

Mark Gomelsky

University of Wyoming, US

Angelika Gründling

Imperial College, UK

Caroline Harwood

University of Washington, US

Regine Hengge

Humboldt-Universität zu Berlin, DE

Susanne Häussler

Helmholtz Centre for Infection Research,
DE

Urs Jenal

Biocentre Basel, CH

Vincent Lee

University of Maryland, US

Zhao-Xun Liang

Nanyang University, Singapore

Victor de Lorenzo

CNB-CSIC, ES

Samuel Miller

University of Washington, US

George O'Toole

Dartmouth University, US

Ute Römling

Karolinska Institute, SE

Robert Ryan

University of Dundee, UK

Pauline Scharp

University of Dundee, UK

Liz Sockett

University of Nottingham, UK

Lotte Søgaard-Andersen

MPI Marburg, DE

Holger Sondermann

Cornell University, US

Jörg Stülke

Universität Göttingen, DE

Natalia Tschowri

Humboldt-Universität zu Berlin, DE

Jade Wang

University of Wisconsin, US

Fitnat Yildiz

UC Santa Cruz, US

Additional speakers will be selected
from abstracts.

Organizer:

Regine Hengge
Humboldt-Universität zu Berlin

Scientific Committee:

Angelika Gründling
Regine Hengge
Urs Jenal
Robert Ryan
Fitnat Yildiz

Abstract submission deadline:

15 December 2014

Application deadline:

31 January 2015
