# **Self-Assessment regarding Selection Criteria**

T-UN.

#### Explanation:

This self-assessment is a part of your application and can have a substantial influence on your ranking position. Please use the tables below to fill in relevant modules you have passed in order to fulfil the selection criteria. Further information is given in the explanation section of the online-application forms and in the application and admission regulations of Humboldt-Universität zu Berlin ("Fächerübergreifende Satzung zur Regelung von Zulassung, Studium und Prüfung der Humboldt-Universität zu Berlin" – ZSP-HU), annex for the specific study programme No. 2.2.3.15.

In the following form section, please name the type of course (such as L = lecture, S = seminar), the title of the course (or the title of the full module, if – according to your appraisal – it qualifies completely towards one of the demanded areas of specified knowledge) and the corresponding number of ECTS-credits. If you are not able to fill in the credits, because you obtained your first degree in a non-modularised study system, then please fill in the hours of lecture per week of the semester ("SWS"). The title of the bachelor's thesis could also be relevant if the topic is suitable.

All information given within the tables has to be proven by adding adequate documents. Documents, that have already been submitted in the context of the verification of application prerequisites do not have to be submitted again. Please add the documents in the same order as noted in the tables. If you apply online, please send the documents together with the cover letter of application ("Anschreiben zur Bewerbung") as well as any further documents listed in the online-application form. If you have to apply through UNI-ASSIST or the Admission Office for International Students, send these documents to the respective address.

If you need more space, please use an extra sheet according to the scheme given.

# Specific knowledge according to the corresponding Annex No 2.2.3.15. of ZSP-HU

| <ol> <li>Specific Knowledge in:</li> </ol> | Molecular Biology, Cell Biology, Biochemistry |                                    |
|--|---|------------------------------------|
|  |   | and Biophysics and/or Microbiology |

Minimum Amount: 70 ECTS-Credits

#### **Notice:**

ECTS-Credits which have already been claimed in relation to one of the areas of demanded specified knowledge regarding the application prerequisites may be listed at this point and only with regard to the selection criteria a second time and may be recognized towards fulfilment of one of the selection criteria. However, ECTS-Credits claimed and recognized with regard to one of the selection criteria may not be claimed or recognized with regard to any other selection criterion. Insofar, course achievements such as exams as well as ECTS-Credits in general will only be taken into account once and non-recurrently.
