

SFB 1315 NEWSLETTER

Spring | Issue 2 | April 2019

Created by L. De Mont, L. Pohl

#GENERAL

Available position as research assistant at the AG "[Cognitive Neurology](#)" in the Clinic for Neurology at the Medical University Greifswald. Registration until 12.04.19 ([Link](#))

Reminder: publications involving SFB1315-supported research must cite **DFG support** with following suggested formulation:

Funded by the Deutsche Forschungsgemeinschaft (DFG, German Research Foundation) – Project number 327654276 – SFB 1315.

Gefördert durch die Deutsche Forschungsgemeinschaft (DFG) – Projektnummer 327654276 – SFB 1315.

#GENDER

([Link](#)) interesting article about **Neurosexism** and the “Myth of The Female Brain”.

([Link](#)) paper on “**Publication metrics and success on the academic job market**” by David van Dijk, Ohad Manor and Lucas B. Carey, shows that men are more likely than women to become PIs, given the same publication record.

#PHD_POSTDOC

This month Phd-Postdoc meeting was held on 26th March. **Roberta Evangelista** gave a presentation on her computational modeling of memory consolidation.

([Link](#)) Follow-up **discussion** whether ACh is the neuromodulator affecting the prevalence of sharp wave ripples.

([Link](#)) Interesting **article** that discusses philosophical bias and how this impacts the scientific process.

ANNOUNCEMENTS

10 April: Seminar on Current topics in Computational Neuroscience /Stochastic models in Neuroscience , first meeting starting 9:15

Every Wednesday at 9:30 to 11 am at BCCN ([Link](#))

11 April: Lecture on Models of biological neural networks

Every Thursday from 10:15 to 11:45 at MAR 5.060, Marchstraße 23, 10587 Berlin ([Link](#))

11 April: Neuroscience Colloquium 17:00 with Dr. Shigeki Watanabe at Paul-Ehrlich Lecture Hall

16 April: Seminar series on “Models of systems memory consolidation” 10:00

Seven weekly meetings are planned, starting on 7 May every Tuesday in the ITB seminar room (Philipenstr. 13, Building 4)

29 April: SFB Social 17:00 at BCCN

We look forward to meet you all and crossing fingers for very good weather.

30 April: PhD-Postdoc meeting 17:00 at BCCN

Communication on slack only !
