

# SFB1315 NEWSLETTER

Autumn | Issue 7 | September 2019

Created by Leo Pohl and ML Grossman

## #GENERAL

Project B04 is searching for participants for its **MemoKid** study ([Link](#))

BCCN has a new teaching coordinator **Lisa Velenosi** ([email](#))

1-10 Nov, [Berlin Science Week](#)

## #PHD\_POSTDOC

**First Lab Tour** (A01 AG Kempter) took place 30 Sept at ITB!

SFB PhDs **Roberta Evangelista** (A01 AG Kempter) and **Yongtian Liang** (A08 AG Sigrist) both passed their doctoral exams! Congratulations!

## #JOB BOARD

Z's SFB1315 Office invites applications for a **student assistant** asap

B04's Yee Lee Shing is in search of a **postdoc** (deadline 7.10.19)

B04's Claudia Buß is also advertising a **postdoc** position (deadline: 8.10.19)

## #GENDER

Check out **WiNS workshops** at Campus Adlershof in 2019 ([Link](#))

Brochure on **gender measures** now available ([Link](#))

We have met with organizers of [SoapBox Science](#) and will fill you in on how to participate soon!

## #PAPERS

**A01/A06**—Spikelets in pyramidal neurons: generating mechanisms, distinguishing properties, and functional implications ([Link](#))

**B05**—Disentangling hippocampal and amygdala contribution to human anxiety-like behavior ([Link](#))

**A08**—Emerging concepts and functions of autophagy as a regulator of synaptic components and plasticity ([Link](#))

**C01**—Membrane bridging by Munc13-1 is crucial for neurotransmitter release ([Link](#))

**B04**—Congenital microcephaly linked CDK5RAP2 affects eye development ([Link](#))

## #MEETINGS & ANOUNCEMENTS

**11-12 Oct:** Heidelberg Neuronal Ensemble Conference ([HeiNEC3](#))

**15 Oct** at 4 pm: SFB1315 lecture - **Steffen Gais** "Sleep and the interactions in multiple memory systems", BCCN ([Link](#))

**24 Oct** at 5 pm: Neuroscience Colloquium ([poster](#)) - **Katja Nowick** ([Link](#))

**31 Oct** at 5 pm: Neuroscience Colloquium - **Veronica Egger** ([Link](#))

**6 Nov** at 5 pm: Neuroscience Colloquium: **Johannes Letzkus** ([Link](#))

**7-8 November:** 2nd Annual SFB1315 Retreat, Seehotel Rheinsberg, Donnersmarckweg 1, 16831 Rheinsberg

**11 Dec at 1 pm** : SFB1315 lecture - **Richard Morris** ([Link](#)) "The making and keeping of memory", Langenbeck-Virchow-Haus

**12-13 December:** Locus Coeruleus imaging meeting ([Link](#))
